

Department of Electrical Engineering  
**Rajkiya Engineering College**  
&

**IEEE Student Branch, REC Mainpuri**

Organizing a one week Faculty Training Certification Program on MATLAB/SIMULINK by MATHWORKS during August 6-10, 2018 & August 16-17, 2018.

## TRAINING THEME

Model based design, modeling & simulation are the required skills for an Electrical Engineer. To produce such professional a faculty must have expertise in the field of modeling, Simulation and model based design. MATLAB/SIMULINK is one of the prominent tools needed for Electrical Engineers for designing control algorithm and analyzing system behavior. This one week training program by Mathworks experts will enhance the capabilities of faculties to deliver the knowledge of virtual experimentation.

Batch Size **20**

External Seats **10**
