

RAJKIYA ENGINEERING COLLEGE MAINPURI - 205119

NATIONAL WEBINAR

ON

“NATIONAL EDUCATION POLICY 2020: WAY AHEAD”

DATE: 27TH AUGUST 2021, FRIDAY, TIME: 04:00 PM - 05:30 PM

Registration form link - <https://forms.gle/eStM6jMyjuS7SJJH6>

ORGANIZED BY:

Department of Mechanical Engineering

Rajkiya Engineering College, Mainpuri

CHIEF PATRON

Prof. Vineet Kansal
Hon'ble Vice Chancellor

Dr. A.P.J. Abdul Kalam Technical
University, Lucknow

PATRON

Prof. Jitendra K. Sharma
Director

Rajkiya Engineering College
Mainpuri

SPEAKER

Col. B Venkat
Director, FDC

All India Council for Technical
Education

NOTE

- No registration fee
- E-certificates will be given to the participants who attend the webinar.
- Joining information (zoom link) will be shared at your Email address half an hour before the commencement of the webinar. The Central Government of India approved the National Education Policy on July

ABOUT THE WEBINAR

The Central Government of India approved the National Education Policy on July 30, 2020. It took a long period of 34 years to achieve a National Education Policy for the country. Now with the approval of the National Education Policy, a lot of good changes have been introduced from school education to higher education. The National Education Policy includes an approach that emphasizes on free-thinking of students which will enable them to navigate a variety of employment skills and abilities at undergraduate level. At the postgraduate level, the policy emphasizes strong research abilities in specific domains. It also stresses the multidisciplinary approach in technical educational institutes. It demands passionate, dedicated, and highly oriented persons in the technical education structure. This webinar will look forward to discuss the teaching and learning objectives of the national policy regarding technical education.

TARGET AUDIENCE

This webinar will highly motivate the professionals from technical institutes –:

- Directors of Technical Education Institutes including Polytechnics and Engineering Colleges.
- Faculty Members from all the streams of Engineering
- Academicians
- Research Scholars
- Policymakers

EXPECTED OUTCOMES

The participants will be able –:

- To know how teachers have to be prepared for the new challenges of the professional world.
- To know how the universities/Institutions have to redesign their policies in accordance with the national education policy

NO REGISTRATION FEE

E-Certificates will be provided to all participants for attending the complete session
