Dear HRs & Recruiters,

I extend a warm invitation to your esteemed organization on behalf of the Training & Placement Cell at **Rajkiya Engineering College Mainpuri**. We cordially invite you to participate in our upcoming Placement Drives, Recruitment Programs, and Internship Opportunities for current students & Alumni.

INVITATION FOR ON/OFF CAMPUS PLACEMENT/INTERNSHIP DRIVE

At Rajkiya Engineering College Mainpuri, we take immense pride in nurturing a talented pool of students who possess a strong academic foundation, technical expertise, and a drive to excel in their respective fields. Our institution has consistently produced exceptional graduates who have made significant contributions to various industries & nation through services in government departments.

By participating in our Placement Drives, your organization will have the opportunity to interact with our bright and dynamic students. These drives attract a diverse range of companies from different sectors, offering an array of job profiles to suit your recruitment needs. You can evaluate and recruit the finest talent through interviews, tests, and group discussions, ensuring the best fit for your organization.

In addition to the Placement Drives, our Recruitment Programs follows various modes, Virtual/Offline/One to One/Peer supervision, offer a streamlined process for direct hiring, ensuring efficient and effective talent acquisition. By participating in these programs, you can directly engage with our students, assess their skills, and make informed decisions to fill your organization's vacancies with the most suitable candidates.

Furthermore, we are excited to present Internship Opportunities that allow students to gain practical experience and contribute to your organization's projects. Internships are invaluable in shaping the careers of our students and providing them with hands-on exposure to real-world scenarios. By offering internships, your organization can identify and groom future talent while benefiting from fresh perspectives and innovative ideas.

As the Head of the Training & Placement Cell, I assure you that our team is dedicated to facilitating a seamless and productive recruitment process. We provide comprehensive support, including logistics coordination, scheduling, and pre-placement training, to ensure a positive experience for both your representatives and our students.

Kindly visit our college website or contact us directly for more details regarding dates, registration, and other pertinent information. We look forward to welcoming your organization to our campus and forging a mutually beneficial relationship.

Thank you for considering our invitation. We eagerly anticipate your participation in our Placement Drives, Recruitment Programs, and Internship Opportunities.

Warm regards,

Prof. Saket Rusia
