**About Us**

**Innosilica** is a fast-growing semiconductor and technology solutions company based in India, delivering end-to-end services across:

- Digital Design, Verification, and Physical Design (P&R)
- DFT, STA, Synthesis, and Signoff
- Analog & Mixed-Signal Design and Layout
- Embedded Systems & Firmware Development
- AI, Cloud, IoT, and Automotive Solutions

We are actively working on **in-house projects**, and we are looking for engineers who can quickly understand requirements, take ownership, and deliver independent solutions.

**Stay Connected**

We also invite you to follow our official YouTube channel, where we will be sharing upcoming **technical discussions, project insights, and company updates**.
